

Quality & Strength

Beyond the Standard

**Stronger: Developed
for Superior Strength**

We provide stronger, more reliable Tall Combination Bar Chairs! We have enhanced our 4 SKUs (BC135140, BC145150, BC155160, BC165170) to deliver unmatched durability.

**The stronger, more durable...
Danley™ Tall Combination Bar Chairs:**

Part	Description	Grade	AS/NZS 2425 Rating	Pack Qty	Pallet Qty	Pallet Height (mm)	Pallet m ³	Increased Strength
BC135140	Tall Combination Bar Chair 135/140	A	120	100	4,000	1,590	2.29	
BC145150	Tall Combination Bar Chair 145/150	A	120	100	2,400	1,470	2.12	
BC155160	Tall Combination Bar Chair 155/160	A	120	100	2,000	1,470	2.12	
BC165170	Tall Combination Bar Chair 165/170	A	120	50	2,000	1,500	2.16	

Our Danley plastic chairs and spacers, specifically engineered to reinforce mesh and bars in various slab-on-ground applications, meet the rigorous batch testing standards of **AS/NZS 2425:2015**, all while **prioritizing environmental sustainability**.

**Made from 100%
Recycled Materials**
